This procedure supports compliance with applicable State and Commonwealth legislation, including laws relating to discrimination, privacy, and student enrolment requirements.

2. Scope

This procedure applies to all staff involved in the administration and management of student enrolment at Rosewood College, including the Principal and any staff delegated responsibility for enrolment processes.

This procedure applies to all applications for enrolment of domestic students and covers all stages of the enrolment lifecycle, including initial enquiries, application submission, assessment, decision-making, offers of enrolment, acceptance, and the creation and maintenance of enrolment records.

This procedure operates in conjunction with the Enrolment Policy and must be applied consistently in all enrolment-related activities.
